**NOTICE BY**

**CALAVERAS TELEPHONE COMPANY

**REGARDING DIALING PARITY IMPLEMENTATION SCHEDULE**

Calaveras Telephone Company, Cal-Ore Telephone Co., Ducor Telephone Company, Foresthill Telephone Co., and The Ponderosa Telephone Co. (hereinafter "California Smaller Independent LECs") hereby provide this notice regarding their implementation of dialing parity in lieu of filing a dialing parity implementation plan as required by the Commission's March 23, 1999 Order in this docket. Each of the California Smaller Independent LECs is an incumbent local exchange carrier providing service in rural exchanges located in California.

On June 4, 1999, the California Smaller Independent LECs petitioned the California Public Utilities Commission ("CPUC"), pursuant to 47 U.S.C. § 251(f)(2), for a delay in the implementation of dialing parity. In their petition, the California Smaller Independent LECs requested an extension of time to January 1, 2000 by which to implement dialing parity. The California Smaller Independent LECs also requested that the CPUC suspend the dialing parity obligation pending its consideration of their petition.

1 Based on their petition, the California Smaller Independent LECs withdrew their  
2 dialing parity implementation plans which were submitted to the CPUC pursuant to the  
3 Commission's March 23rd Order. The California Smaller Independent LECs will submit  
4 new dialing parity implementation plans consistent with the CPUC's resolution of their  
5 Section 251(f)(2) petition.
